PILLAR 01 · FAST CASH FIXES (24H – 7 DAYS)

Websites, Email Rescue & WhatsApp Portals

Fix leaky digital touchpoints immediately and route warm enquiries straight to your phone.

01 24h Cloudflare Speed, SSL & Email Spam Rescue

R2,500 / $195

Full SPF, DKIM & DMARC authentication so quotes & invoices stop hitting spam. Legacy MX cleanup, SSL fix & sub-second Cloudflare edge caching.

02 Compas Pages — High-Converting Launchpad Websites

R4,950–R9,500

Bespoke mobile-first bilingual (EN/AF) websites engineered in 48–72 hours with zero template bloat, WhatsApp/call CTAs & custom domain routing. ($350–$650)

03 WhatsApp Storefronts, RFQ Triage & Click-and-Collect PWAs

R4,950–R19,500

Replace dead info@ forms with 30-second technical RFQ filters, interactive product catalogues & ROI calculators routed straight to WhatsApp. ($350–$1,250)

Optional Monthly Care & Updates: **R1,250/mo ($95/mo)** · 50% mobilization deposit via EFT / PayShap / Wire, 50% on live handover.

PILLAR 02 · AI SEARCH & CONVERSION PACKAGING

Get Cited by ChatGPT, Claude & Google AI

When buyers ask AI who to instruct in your city, make sure your practice is structured to win the citation.

04 AI-Search Visibility (GEO), /llms.txt & Schema Graph

R9,500–R19,500

Standardized /llms.txt & /llms-full.txt manifests, Organization & Partner JSON-LD with sameAs entity disambiguation, broken-link repairs, POPIA-aware public attestation & bilingual first-tier intake routing in 48–72h. ($550–$1,100)

17 Bilingual (EN/AF) Executive Proposals, Decks & SOPs

R2,500–R7,500

Turn rough technical notes, spreadsheets, or voice recordings into print-ready executive PDFs, commercial bid packs, ROI justification models, and clean operational playbooks in 48–72 hours. ($200–$650)

Ideal Buyers & Immediate ROI for Pillar 02:

- **Law firms, accounting practices & specialist clinics** missing from AI recommendations
- **Industrial & engineering contractors** losing corporate tenders due to weak bid packs
- **B2B founders** whose real-world capability looks invisible or fragmented online
- Zero CMS migration needed — deploys cleanly on top of your existing website

PILLAR 03 · REVENUE, PIPELINE & RETENTION

Turn Pipelines & Past Invoices Into Revenue

High-discipline commercial systems built on 10+ years of direct B2B sales and channel leadership.

05 Client Retention & Repeat-Maintenance Engine

R9,500 + Ret.

Audit old invoices & install automated 30-day & 11-month repeat service triggers via WhatsApp/email. Ideal for workshops, fleets, solar & clinics. (+R1.5k–R3.5k/mo)

06 Fractional / Interim Head of Sales & BDM Turnaround

R15k–R35k/mo

Fix leaky funnels, design CRM stages & KPI discipline, remove onboarding drop-offs, and lead direct executive closing. ($1,500–$3,500/mo global remote)

07 B2B Outbound & LinkedIn Pipeline Sprint

R7.5k–R15k/mo

ICP targeting across SA/UK/US/EU, bilingual outreach sequences, 48h nudges & booked executive discovery calls. ($650–$1,500/mo)

08 Commission & Profit-Share Commercial Closing

Perf. / Equity

Open new B2B territories or close vetted high-margin industrial, fleet, property, or SaaS deals on aligned revenue share.

PILLAR 04 · FINANCIAL SERVICES & REGTECH OPS

Advisory Practice Workflows & FICA Compliance

Grounded in FSCA RE5 (#290909), Notice 59 of 2026, PPS broker channel mastery & KYCDD RegTech.

09 13-Stage Financial Advisory Workflow Audit

R7,500–R19,500

Audit & streamline annual review invites, Statement of Benefits (SOB) & FICA prep, e-sign tracking & WhatsApp follow-ups so advisers spend more hours with clients. ($450–$1,100)

10 FICA / KYC / POPIA Onboarding & RegTech Advisory

R950–R1,850/hr

Eliminate client onboarding abandonment across FSPs, legal & credit teams. Informed by heading sales for an ISO-27001 FICA/KYC platform. ($65–$125/hr)

11 Supervised Financial Advisory & Broker Specialist

FSP Placement

Available for Board Notice 86 supervised advisory roles (Potchefstroom / NW / JHB / remote). RE5 passed, DOFA Nov '13, Notice 59 valid to Feb 2028, bilingual EN/AF.

Built on real SA advisory practice delivery: including auditing & streamlining a 13-stage South African SFP/PPS advisory workflow (2025).

PILLAR 05 & 06 · AI, QA, SOLAR & NETWORKS

Private AI, Human QA & Practical Infrastructure

From confidential document intelligence & remote AI grading to Sunsynk solar & unbreakable Wi-Fi.

12 Custom AI Workflows, Contract Auditing & Enclaves

R18.5k–R35k

Query contracts, leases & SOPs in seconds with human approval gates & zero public chatbot training. (Enterprise enclaves via compas.one)

13 AI Output Evaluation, Search & Operations QA

$30–$120/hr

Rigorous human review catching factual hallucinations, flawed business logic & rubric failures for AI labs & remote platforms (R650–R1,850/hr).

14 Commercial & Farm Solar / Sunsynk Tariff Audits

R1,850–R8,500

Reconcile Eskom Landrate vs Ruraflex TOU tariffs, optimize battery peak-shaving & pump scheduling. (+R1,250/mo telemetry option)

15–16 Dual-WAN Failover Wi-Fi & Hardened Linux / Portable OS

From R2,500

Fiber+LTE automatic failover, bufferbloat fix, isolated captive guest Wi-Fi, bloat-free Linux setups & encrypted bootable OS drives. ($195+)
